This document has been prepared by Santander Corporate & Commercial Bank ("SCCB"). For the avoidance of doubt any reference to:

- "we", "us" or "our" refers to SCCB; and
- "you" or "your" refers to an SCCB client and/or investor.

**Important:** You should carefully consider your investment objectives, level of experience and risk appetite before entering into any transactions. Most importantly, do not invest money you cannot afford to lose.

We have prepared this document for information purposes only and it is not binding. We do not contemplate entering into any transaction or providing any related service on the basis of this document without a formal agreement (either with us and/or another of our affiliates (together, the "**Santander Group**"). You may not rely on information contained in this document as investment advice. This document does not take into account:

- whether an investment, course of action, or associated risks are suitable for you; or
- your specific investment objectives, financial situation and particular needs.

We do not intend to provide personal investment advice with this document. It does not take into account the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. You should seek independent professional financial advice regarding:

- the legal, financial, tax and regulatory consequences of a transaction; and
- the suitability and/or appropriateness of making an investment or implementing the investment strategies discussed in this document.

You should understand that statements regarding future prospects may not be realised. You should note that income from any investments you make may fluctuate and that the value of

such investments may rise or fall. Accordingly, you may receive less than the amount you originally invested.

This document has not been produced, reviewed or approved by any research department within the Santander Group. Therefore you should not construe it or the information it contains as investment research or a research report. This document is not subject to any prohibition on dealing ahead of the dissemination of research.

Neither the information nor any opinion expressed in this document constitutes a prospectus, offering document, underwriting commitment, offer, or invitation to make an offer, to buy or sell any securities, other investment or any options, futures or derivatives related to securities or investments.

The information included in this document:

- is not intended to predict actual results, which may differ substantially from those reflected in this document; and
- was obtained from or based on public sources we believe to be reliable (other than disclosure information relating to the Santander Group).

Past performance does not guarantee or predict future performance.

However, we do not make any representation or warranty, express or implied, that the information, assumptions, performance data, modelling or scenario analysis contained in this document are accurate, complete or up to date. Therefore you should not rely upon it as such.

The views and commentary in this document (together, the “**Views**”) are short-term views of the desk from which they originate (the “**Authors**”). The Views are not objective or independent from the interests of either:

- the Authors; or
- other SCCB Trading and/or Sales desks that actively participate in the markets, investments or strategies referred to in this document.

We prepared this document in accordance with the Santander Group’s policies for managing conflicts of interest. The Santander Group has internal rules of conduct that contain, among other things, procedures to prevent conflicts. You may request further information about how we manage conflicts of interest and the internal rules of conduct from us. The Santander Group and associated personnel may:
